SUDHARI PERERA

Sudhari Perera | +64 224556239. | linkedin/sudhari | Lower Hutt

PROFILE SUMMARY

IT graduate with hands-on experience in software development, quality assurance, and web application technologies. Skilled in MERN stack development, UI/UX design, and manual and automated testing using tools such as Selenium and Postman. Experienced in delivering technical solutions, troubleshooting systems, and collaborating in project environments. Seeking an entry-level role in software development, QA, or IT support to contribute technical skills and grow within New Zealand's technology sector.

WORK RIGHT

New Zealand Student Visa — eligible to work 20 hours per week during academic terms and full-time during scheduled breaks. Eligible to apply for a Post-Study Work Visa upon completion of studies.

TECHNICAL SKILLS

Programming & Development - JavaScript, MERN Stack, HTML, CSS, ReactJS, NodeJS, ExpressJS

Databases - MongoDB, MySQL, Microsoft SQL Server, Firebase

Testing & QA - Manual Testing, Automated Testing, Selenium, Postman, API Testing

Tools & Technologies - Adobe XD, Figma, GitHub, Bootstrap, IIS, Unity,

Other Skills - GitHub, Figma, Adobe XD, Bootstrap, IIS, Unity

TECHNICAL PROJECTS

1) **BONDLOCK - Final Year Research Project**
   - Developed an augmented reality platform providing virtual wedding planning experiences.
   - Designed interactive user features and system workflows.
   - Technologies: Unity, Blender, Marvelous Designer
2) **The IoT-Enabled Baby Monitoring System - Year 4 Sem 2 (IOT Module)**
   - This proposed system utilizes video and audio technology, environmental control, and safety.
   - Technologies - ESP 32, Motion Detector, Camera, Speaker, Relay Module, Humidity Sensor, Ultrasonic Sensor, Servo Motor
3) **DDRS Community - Year 3 Sem 1 (ITPM Module)**
   - Developed a MERN stack web application similar to Stack Overflow.
   - Implemented authentication, UI testing, and database integration.
   - Technologies: MERN Stack, Selenium, Bootstrap
4) **Restaurant Management System for Delight - Year 2 Sem 2 (ITP Module)**
   - Developed a web-based Restaurant Management System following the client's requirements to replace the existing manual system with an automated one.
   - Technologies – React JS, Bootstrap, Node JS, Express JS, MongoDB, CSS, GitHub
5) **E- Portfolio Website**
   - Designed and deployed a personal portfolio website.
   - Technologies: HTML, CSS, JavaScript, Firebase Hosting

PUBLICATION

ICAC 2023 – International Conference on Advancements in Computing *2023*

- Paper Title – Augmented Reality-Enabled Platform for Wedding Experience

I am a Researcher - 23rd ICTer International Conference *2023*

PROFESSIONAL EXPERIENCE

Esoft Metro College - Wennappuwa *September 2025 – December 2025*

Assistant IT Lecturer

- Provided technical support for IT lab sessions and software setup.
- Assisted students in troubleshooting programming and system issues.
- Supported coursework involving databases, web development, and networking.

Vidura College - Hokandara *June 2024 – July 2025*

Advanced Level ICT Teacher – Class Teacher

- Delivered IT subject training and guided student software projects.
- Provided technical troubleshooting for computer systems and applications.
- Assisted in organizing ICT events and project-based learning activities.

Flintec Transducers (Pvt) Ltd - Katunayake *March 2022 – September 2022*

In plant Trainee – IT Department

- Developed frontend components using ReactJS and Bootstrap.
- Supported backend development using NodeJS and SQL databases.
- Conducted manual and automated testing using Selenium.
- Performed API testing and quality assurance activities.

EDUCATION

Wellington Institute of Technology (WelTec) *2026 - Present*

- Graduate Diploma in Information Technology

Sri Lanka Institute of Information Technology *2020 - 2024*

- Bachelor of Science in Information Technology - Specializing in Information Technology

CERTIFICATIONS

Sri Lanka Red Cross Society *2025*

- First Aid Certification

Sri Lanka English Language Graduates' Association *2024*

- Diploma in English - Result A

Ditec – ESOFT Metro Campus *2017*

- Diploma in Information Technology with E-Commerce (INTERNATIONAL) – Overall Grade B

SOFT SKILLS

- Problem Solving
- Communication
- Teamwork
- Time Management
- Adaptability
- Leadership
